Discovery Center Capital Campaign Supporters

Oh, My Goodness!

You mean if I donate to the

Discovery Center

Capital Campaign

I get choices of naming rights?

Here's how it works:

1. Both donations and written pledges count. We accept and appreciate both.
2. If you'd like to sign up for a particular opportunity, please email us at **namingops@discoverycenter.net**. First come, first served: whoever emails first will be awarded the opportunity. If you haven't already donated, we'd appreciate payment, or a signed Letter of Support, within one week of your email. Please give us a first and second option in case your preferred choice is already taken.
3. With one exception, only one naming opportunity per donor. It may be any value up to your contribution amount.
4. The one exception: Any donor may also request any number of named metal leaves for additional contributions of $300 each.
5. Donor names will generally be identified on an engraved credit card-size plaque mounted on the selected item. Depending on the item you choose, the method of identification may be modified.
6. In your email back to us, please tell us exactly how you would like your name to appear. It can be from an individual, spouses, a family, in memory of, etc.
7. Note: the pictures included in our naming opportunity descriptions are generally representative of the item, but the actual item will vary.

Naming opportunities are certainly not mandatory. We also intend to install a plaque recognizing all donors to the campaign. Whether or not you choose to avail yourself of this opportunity, we want to express our sincere thanks for helping the Discovery Center realize its 25-year dream of truly being able to connect people with nature year-round.
