The Northwoods Forest History Experience: More Than a Museum!

More Than a Museum! (https://discoverycenter.net/foresthistoryexperi ence/) is a partnership of The North Lakeland Discovery Center and the Manitowish Waters Historical Society. The project will renovate and transform an historic Civilian Conservation Corps and Youth Conservation Corps building into an interactive museum experience on the Discovery Center campus. By showcasing forest practices from ancient to modern times and encouraging visitors young and old to GET OUT AND EXPLORE our many local historical sites, participants will become better informed stewards of the magical, productive, abundant yet finite resources of

our Northwoods forests.
